STATE POLICE SEEKING PAIR IN \$26 HOLDUP

State police today continued their search for two men who reportedly robbed a soft drink salesman at gunpoint near Hampton about noon Monday.

James R. Westenholzer, Columbia R. 2, a salesman for York Coca-Cola Bottling Works, told police he was driving his route truck a half mile south of Hampton on the Hanover-Carlisle Rd. at 11:35 Monday morning when a car cut in ahead of him and forced him to come to a stop off the road.

Two men got out of the auto and came back to the truck. One of the men carried a double-barreled shotgun. While the one man kept the shotgun leveled at Westenholzer, the other asked for the route man's money.

NO LICENSE PLATE

Westenholzer said he handed over \$26 and the two men got into their car and headed south toward Hanover.

The victim described the car as a black 1957 two-door Pontiac sedan, but said there was no registration plate on the rear of the vehicle.

He described the one man as short and heavy set and the other as about six feet tall.

T.A. GROSSMAN SPEAKER FOR ROTARY CLUB

Taylor A. Grossman, Gettysburg R. 3, of the C. H. Musselman Co., spoke on "Changes in Sales Management" at Monday evening's meeting of Rotary at the YWCA.

Associated with the C. H. Musselman Co. for many years and before that with the Pillsbury Co., Grossman said: "There was a day when you could walk into the buyer's office, show him your product, and it would sell on quality."

"Today sales is a much more demanding problem involving promotion, research and test marketing. Tremendous amounts of planning go into sales, involving merchandising, marketing and advertising. You must study what the competition is doing. You've got to tell the public what you have and if you have the money you can sell them on your product. In the Chicago area we had a problem of a great deal of advertising being done by a competitor. The buyers willingly admitted our product was the better—but saturation advertising created a demand by the public for the other product. In such a situation you can go in and put your product right beside the other—and watch the people buy the other product and ignore yours. The store may know which is the better product—but who is going to tell the consumers? Thus there must be a careful study of both products, market and advertising."

APPLESAUCE AND EUROPE

"There are all types of advertising and if the potential is there all can be effective. We use national magazines and we use television. In television advertising I like to devote the last ten seconds to tie in the local sales outlet so people may know where to buy."

In response to a question he noted that export of applesauce to Europe is not great.

Europeans are accustomed, he said, to a "thick type applesauce, something like cranberry sauce, you can open the can at both ends" (Continued On Page 3)

Post Special Guards At U.S. Installations In South Viet Nam After Attacks

By MALCOLM W. BROWNE

SAIGON South Viet Nam (AP) — The U.S. Army maintained special guards on American installations in Saigon today to counter a Communist terror campaign that has killed three Americans and wounded more than 50 in the past two nights.

U.S. and Vietnamese officials also set up a Joint Security Council to work for greater safety for the thousands of U.S. servicemen and civilians and their families in the Vietnamese capital.

American military policemen stood guard at schools attended by American children and rode on school buses. U.S. soldiers patrolled other American installations.

WILL DELIVER LECTURE HERE

Dr. Joseph R. Washington, chaplain at Dickinson College will deliver the annual Stucken-berg lecture at 8 p.m. Thursday in Weidensall Hall auditorium at Gettysburg College.

His topic will be "Can the Negro Be an American?" Dr. Washington received his B.A. in Sociology from the University of Wisconsin, his B.D. from Andover Newton Theological School and his Th.D. from the Boston University School of Theology. He is a minister of the Methodist Church and before going to Dickinson he served as associate Protestant chaplain at Boston University.

A panel discussion will follow Dr. Washington's lecture. Guest panelists will include the Rev. Joseph Haggler, Carlisle, and Adam Myers, Gettysburg postman.

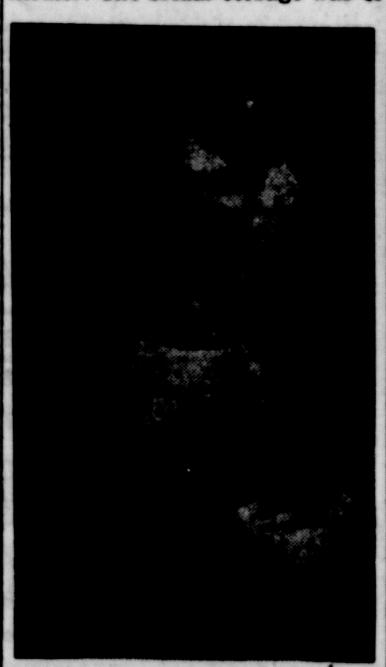

The Stucken-berg lecture is sponsored by the department of sociology and anthropology of Gettysburg College.

C. H. LIGHTNER, MISS NORVELL WED IN TEXAS

The marriage of Miss Sharon Norvell, daughter of Mr. and Mrs. James E. Norvell, Garland, Tex., to Charles Harman Lightner, Dallas, son of Mr. and Mrs. Charles N. Lightner, 46 South St., was solemnized at the First Methodist Church in Garland Friday evening at 8 o'clock. The Rev. Duke Barron performed the double-ring ceremony.

The altar was decorated with greenery and candles. With William Paddy at the organ, the chancel choir sang under the direction of J. R. Henderson. The acolytes were Hill and Linton Norvell, brothers of the bride.

Given in marriage by her father, the bride wore a gown of antique satin with fitted bodice, scoop neckline, tapered sleeves, and bell shaped skirt with detachable cathedral train. Her veil of double French illusion designed by the bride's aunt, a millinery designer, was held in place with a mantilla of bridal lace and a white mantilla comb. The bridal gown was made by the bride's mother. The bridal corsage was of

400 ANTIQUE CARS COMING HERE IN JUNE

More than 400 antique cars are expected here June 19, 20, 21 for the annual National Eastern spring meeting of the Antique Automobile Association of America.

Preliminary plans for the event were outlined Saturday evening at the annual meeting of the Gettysburg Region of the Antique Automobile Association at the Chalet, Dillsburg. The Gettysburg group will be host to the National Eastern session.

Spokesmen for the local group said that the national organization now holds three spring meetings, one in the east, one in the midwest and one on the west coast because of the great number of antique and classic car fanciers.

LOCAL COMMITTEE

The vehicles will line up on Gettysburg College land north of Broadway and between the Mummaburg and Biglerville Rds. for the three-day session in June. Judging of the cars will take place on June 20 and the annual National Eastern spring banquet will be held that night at the college dining hall.

Named by George Dohn, York, new president of the Gettysburg Region, as the committee in charge of local arrangements were William Varian, Edward Beard, Ernest Simpson, Harold Reuning and Lloyd Crouse.

At Saturday meeting Dohn was named president; Walter Arnold, Carlisle, vice president; Mrs. Earl Fries, York, secretary-treasurer. Directors elected for three-year terms were John F. M. Wolfe, York; Leon (Continued On Page 3)

Kiwanians Hear About Greek Tour

Details of a pilgrimage to places visited by St. Paul were outlined Monday evening by Rev. Merlin Shull, pastor of the Gettysburg Church of the Brethren, at the meeting of the Kiwanis Club in the Lamp Post Tea Room.

Illustrating his talk with color slides, Rev. Mr. Shull depicted the culture of pre-Christian Greece, its civilization in the early Christian era and the life and customs of today. In many respects, he said, Greece is unchanged since its ancient days of advanced thought and culture, "although the Turks and the Mohammedan religion have become an important factor in the country today."

Rev. Mr. Shull was one of a number of representatives of various religious denominations who took part in a worship pilgrimage sponsored by the Greek Orthodox Church and the Greek government.

The Greeks, Rev. Mr. Shull said, "are very friendly to visitors and expressed the hope that the Greek-American ties would become closer and more real. They welcome American aid and are eager to adopt new methods, especially in agriculture."

Reject West Arms Plan

GENEVA (AP)—The Soviet Union today rejected the Western proposals for phased gradual disarmament as unrealistic and said there appeared little likelihood of East-West compromise.

Soviet delegate Semyon K. Tsarapkin accused the Western powers at the 17-nation disarmament conference of "lack of enthusiasm" in discussing Soviet proposals and said the West "does not give us much hope" for progress in the Geneva negotiations.

Tsarapkin told the conference the U. S. government "does not face reality" in proposing an across-the-board, 30 per cent reduction of arms in the first stage of disarmament and 35 per cent in each of two subsequent phases.

He accused the U. S. government of pushing production of nuclear weapons to shift the nuclear balance heavily in its own favor before staged disarmament begins.

To Launch Drive On Tagless Dogs

A team of dog law enforcement officers will launch a concentrated drive on unlicensed dogs Monday morning in Adams County, according to Martin Sheets, York, dog law enforcement officer for York and Adams County, who said the campaign will continue until every dog in the county is investigated.

Dogs quartered in commercial kennels also will be checked for licenses and ownership, Sheets said, and violators will be prosecuted. County records show approximately 6,000 licensed dogs.

Under the state dog law, all dogs over six months of age must be licensed.

Sheets reports that he has received numerous calls from persons in the county that packs of unlicensed dogs are attacking farm animals and poultry.

APPOINT NEW COMMITTEE ON VA DIRECTOR

The Allied Veterans Council of Adams County, meeting Monday evening at the Catholic War Veterans home in Bonneauville, urged the public to display the American flag on Washington's birthday, February 22, and in the future to "help spread patriotism by flying the flag on all holidays."

A lengthy discussion indicated the group agreed "there seems to be a decline in the showing of patriotism," and that "with the world situation as it is, for our own benefit and the benefit of our children more public display of patriotism must be given."

The group also voted to encourage schools to stress more patriotic programs and instruction in connection with Memorial Day, Lincoln's and Washington's birthdays.

A discussion was held on meetings of a committee from the Allied Veterans Council with the county commissioners concerning the office of Adams County director of veterans affairs.

NEW COMMITTEE

After the sometimes heated discussion, the group voted to name a new committee, comprised of many members of the former committee, to meet with the commissioners and make recommendations on who is to be director of veterans affairs in the county. In the discussion members said the office has a great deal of work to do in connection with veterans of World Wars I and II and the Korean War and their widows and that "we need the best man possible."

Commander Lawrence Orndorff appointed Jesse M. Cline of the World War I Veterans as chairman, with Melvin Baker of the East Berlin VFW; John E. Kerrigan of the Gettysburg VFW, and Dale Clark and John Denisar of (Continued On Page 2)

Joins Dickinson College Faculty

CARLISLE, Pa. (AP) — Appointment of Prof. John E. Benson of Gettysburg College to the faculty of Dickinson College as chairman of the department of chemistry effective July 1 was announced Monday by Dr. Howard Rubendall, Dickinson president.

Benson will succeed Prof. Horace E. Rogers, member of the Dickinson faculty for 39 years and chairman of the department since 1958. Rogers, while giving up the chairmanship, will continue to teach.

Benson is a native of Merchantville, N.J., and a 1950 graduate of Pennsylvania State University. He received his doctor's degree in 1957 at Princeton University where he studied physical chemistry.

SCHOOL BOARD GIVES TEACHER YEAR TO STUDY

Mrs. Ruth Anne Sheads, an elementary teacher in the Fairfield Joint School system for the past 19 years, was granted a sabbatical leave Monday evening by members of the joint school board to travel and study for a year. Half of her \$5,600 salary for the year will be paid, but will be held in escrow in the local bank until she returns to her position in September, 1966. President Joseph T. Lowe was in charge of the meeting in the high school library.

The board accepted the resignation of Mrs. Carol Franc, effective January 22, and hired Thomas Watkins to replace her as music teacher at a salary of \$4,200.

In other personnel affairs, the board referred a request for a wage increase for two bus drivers to the personnel committee for inclusion in further study of salary recommendations.

DELAY ACTION

A request from a resident of Blue Ridge Summit to permit his child to attend kindergarten in September on a tuition basis was tabled until the June meeting following the preschool clinic in May, at which enrollment potential will be indicated. The proposed enrollment for September is 51. The school can 60 pupils.

VOICE OBJECTIONS

The board authorized Supervising Principal Harold R. Blair to advertise for bids for fuel oil, general, shop and art supplies for the 1964-65 term, and instructed the furniture committee to advertise a total of 275 used desks, a cafeteria refrigerator, potato masher and several steel doors for sale. The transportation committee was authorized to contact Roberts Chevrolet regarding renewal of the bus contract. (Continued On Page 3)

BLUE AND GRAY ADDS MEMBERS

The Gettysburg Blue and Gray Band held its second rehearsal of the season Monday evening with an increase in the number of musicians over the first session a week ago. Director Charles J. Duffield conducted the rehearsal at the VFW home on E. Middle St.

J. E. Kerrigan, manager for the VFW post, assured the band members of the post's interest in helping to establish and maintain the Blue and Gray Band as a community enterprise. He invited other clubs and community groups to help with the band by providing uniforms, music, storage space or rehearsal facilities.

Present members of the band include: Trumpets, Eugene Eckert, McKnight Guise and Dawn McKenrick; trombones, George Carey, Edwin Longenecker Jr., Robert Clark and Robert Grubbs; basses, Wayne Hill; baritone, John Hoffman and Lynn Lerew; saxophones, Edward Stull and James Harness; drums, Carl Saunders, Robert Shealer, George C. Plank and David Stoner.

The band rehearses each Monday evening at 8 o'clock at the VFW home. Duffield said instrumentation is needed in the reed, brass and percussion. Musicians who are under 21 are welcome and band officers said rehearsals are segregated from other activities at the VFW home.

FILE PETITIONS

Among the candidates who filed nominating petitions Monday with the State Elections Bureau, Harrisburg, were Gilbert J. Lupp, Gettysburg, for the state Senate from Adams and Franklin Counties, and Fred G. Klunk, New Oxford, for the state House of Representatives from Adams County.

the late William H. and Rebecca (Hummer) Slaybaugh. He had been employed by the C. H. Musselman Company for a number of years and was a pensioner of that firm. Last year he had worked at the Slaybaugh Nursery operated by a son, Raymond.

He and his wife, the former Bertha M. Rice, observed their 60th wedding anniversary last Sunday. Mr. Slaybaugh was a member of the Mt. Olivet United Brethren Church.

Surviving are his wife and seven children: Mrs. John Wirt, Gettysburg R. 4; Earl, Towson, Md.; Mrs. Clair Starry, New Oxford R. 2; Mrs. Kennedy, at whose home he died; Raymond, Aspers R. 1; Clair R., Idaville, and Mrs. Lester Guise, Camp Hill. There are 18 grandchildren. (Continued On Page 3)

4 Directors For Bankers Named

Four directors of the Bankers Mutual Insurance Co. of Adams County were re-elected for three-year terms at the annual meeting of policyholders Monday afternoon at the company's office on the Biglerville Rd., a mile north of here. President John E. Hostetter presided at the meeting.

These employees were re-named as directors: Carl A. Henne, Gettysburg; Armin H. Hostetter, Hanover; J. Andrew Kugler, Fairfield, and J. Donald Spangler, Hanover. Richard Eliasberg, Pikesville, Md., was elected to serve out the one-year unexpired term of H. W. Knouse, Gettysburg, who resigned as of February 1. Mr. Eliasberg is president of the First Federated Life Insurance Co. of Baltimore.

The board will elect officers at its next meeting March 25.

British Agree With Cypriots On U.N. Plan To Police Island With International Forces

By MAX HARRELSON UNITED NATIONS, N.Y. (AP) — Britain and Cyprus are reported agreed on principles for a plan to police the turbulent Mediterranean island with an international force while an impartial mediator seeks peace between the Greek and Turkish Cypriots.

The British-Cypriot plan also calls for a consultative committee of U.N. members. The two nations reportedly agreed on general terms of a Security Council resolution after the council postponed the start of its debate on the Cyprus crisis until this afternoon.

The resolution would avoid the controversial issue of how the international force should be set up and would merely agree that there should be such a force.

It would also appeal to all countries to respect the territorial integrity of the island, an appeal which Cyprus had planned to propose in a separate resolution.

U THANT PROPOSALS

The council debate, scheduled to start Monday, was postponed after Secretary-General U Thant took a hand in the crisis with peace proposals of his own.

Thant's ideas were handed to representatives of Cyprus, Britain, Turkey, the United States and Greece in a memorandum which dealt with establishment of an international peace force for Cyprus and with machinery for mediating the conflict.

One objective was to find a formula that would be accepted by all parties concerned and thus avoid the risk of a Soviet veto. President Makarios of Cyprus has indicated he would accept no peace force unless it was under control of the Security Council.

U. S. 15 BYPASS AT EMMITSBURG IS ANNOUNCED

Final plans for the bypass of Emmitsburg by U. S. Route 15 have been announced by the Maryland State Roads Commission. The plans were revealed when the commission advertised for bids to complete the construction of the new roadway.

The bypass will represent one of the last links to be completed in the stretch from Harrisburg to Washington, D. C. Motorists soon will be able to travel the entire distance without encountering a single stoplight.

The project will bypass Emmitsburg to the east and the road will run behind St. Joseph College.

The bids are requested for grading, drainage and paving relocated U. S. 15 from the existing Old Frederick Rd. to the Welly Rd., a distance of 2.324 miles (flexible pavement). Also included are a three-span continuous concrete slab bridge over Tom's Creek; relocation of the existing eight-inch cast-iron sanitary force main; reinforced concrete box culvert, and resurfacing of existing U. S. Rt. 15 from Flat Run to the Pennsylvania state line for a distance of .94 mile.

FINISH THIS YEAR

The project is expected to be completed by 1965.

The bridge over Tom's Creek is behind St. Joseph College. Thomas G. Mohler, district engineer for the State Roads Commission, said that the span will be approximately 120 feet long and a low-level type structure.

The project when completed will be a link from Baltimore and Washington to beyond Gettysburg, first started in 1953. The first section of U. S. 15 to be relocated was a stretch from Thurmont north to the east end of St. Anthony's.

From that first contract, four other contracts have been completed. The fifth project is now in the process of being completed and should be finished this year, Mohler said.

FUTURE PLANS

This section is from Tuscarora Creek to the Lewistown bypass and was started last fall. This particular section takes in almost four miles of road and is being done at a cost of \$724,975.75.

The Roads Commission also bared some of its future plans for Route 15 dualization. It said dualization of Rt. 15 from Frederick to the Pennsylvania state line, a distance of 23.3 miles, was in the plans for the next six years, at a cost of approximately eight million dollars.

AAUW TO MEET ON WEDNESDAY

The report of the nominating committee will be presented at the Wednesday evening meeting of the Gettysburg branch of the American Association of University Women to be held at 8 o'clock at the West St. branch of the Gettysburg National Bank.

The president, Mrs. William M. Lott, will preside at the business session while the program for the evening will be presented by Mrs. Eugene M. Haas, member of the Biglerville High School faculty and member of the AAUW branch. She will review the book by Betty Friedan, "The Feminine Mystique," a controversial work by the author of many magazine articles on the status of women.

The program is the fourth for the county AAUW branch on "Expectations for Education." Mrs. Haas has been teaching English to college preparatory students at Biglerville since 1954 and is in charge of dramatics at Biglerville High. She is a Gettysburg College graduate and has done post-graduate work at Penn State University. She formerly taught at Elizabethtown High School.

She is the mother of three children, ranging in age from a high school senior to a Fourth Grader. She was active in volunteer community work and some years ago helped form a Little Theater group in Biglerville.

Local Man Faces Fed. Charge Here

CWS WILL HOLD ANNUAL DINNER ON APRIL 9TH

The Adams County Child Welfare Services will hold its 25th annual foster parents night dinner April 9 at Trinity United Church of Christ, S. Stratton St.

According to reports presented at Monday evening's meeting of the advisory board of the services in the CWS office in the Topper Building, Rev. Herman Stuenkel of the seminary faculty will be the speaker at the dinner. Luther Ritter, chairman of the advisory board, will serve as toastmaster. Music will be provided by a group from Littlestown.

Rev. John Bishop is chairman of the dinner committee. Other members of his committee include Ritter and Mrs. Edward Zinn.

RECEIVE MANUALS

Manuals for foster parents, written by the following committee of the advisory board, Rev. W. W. Wood, Dr. Vernon Group and Mrs. Zinn, were distributed to the board. The 12-page booklet, which lists the responsibilities of the Welfare Services, the responsibilities and guiding principles and suggestions for care for the foster parents, will be distributed to the foster parents in the near future.

Attorney S. M. Raffensperger presented a preliminary report of the personnel committee and Dr. Group presented a preliminary report of the annual program committee.

Miss Dorothy Curtis, director of Child Welfare Services, reported two additional children came under care of the services in December, bringing the total to 104, representing 50 families. Eighty-three children are under direct supervision and 21 under indirect supervision according to her report. One adoption was approved during the month, leaving four applications for adoption pending at the present time. The county CWS agreed during the month to give temporary care to a child from another county.

bodice was fitted, with scoop neckline. She wore formal-length gloves and carried a bouquet of American Beauty roses.

The bridal attendants were Miss Terry Norvell, cousin of the bride, Shreveport; Miss Mary Cody, Miss Sonja Hegna and Miss Judy Purcell, Garland, Tex. The junior bridesmaid was Miss Loreta Carter, Garland. They wore dresses of the same design of pink organza over satin, with matching shoes and pearl tiaras attached to matching bows and veils.

Woodrow Norvell, Dallas, served as best man and the ushers were Gary Tiltson, Donnie Denavant, Bill Cody Jr., and Jerry Carter Jr. The groomsmen were Robert Green, J. J. Johnson, Herbert Smith, Ken Lanon, E. Jeffrey Wentworth.

Scott Norvell, brother of the bride, was the ring bearer. The flower girl, Mindy Sue Norvell, sister of the bride, wore a long dress of American Beauty red with small cap sleeves and headpiece to match those of the other attendants.

RECEPTION HELD

A reception was held in the fellowship hall of the church which was decorated in American Beauty red and pink. A large heart-shaped cake formed the center of the refreshment table. For their wedding trip to San Antonio, Tex., the bride wore a navy blue linen three-piece suit with a white hat of original design, and red accessories. Upon their return they will reside at 4618 Cole Ave., Dallas, Tex.

The bride graduated from Garland High School and is employed as a receptionist by Thaw-Walker Co., Dallas. The groom graduated from Gettysburg High School and from Gettysburg College in the class of 1961. He is a special agent of the 4th Army Intelligence at Dallas.

As the bride was escorted up the aisle by her father she stopped at her mother's pew and presented her with a rose from her bouquet. Returning from the altar with the groom, she followed the same procedure with his mother.

Attending from Gettysburg were Mr. and Mrs. Charles N. Lightner, 46 South St., who flew from Friendship Airport, Baltimore; Mr. and Mrs. Glen Timmons, 44 South St., brother-in-law and sister of the groom, and Mr. and Mrs. Harman H. Spence, Ottumwa, grandparents of the groom, who made the trip by automobile.

Troops Leave U. S. In "Big Thrust"

BERGSTROM AIR FORCE BASE, Tex. (AP) — Operation Big Thrust begins today, a modified version of the transatlantic exercise Big Lift that set new military transport records last October.

About 1,500 soldiers of the 2nd Armored Division at Ft. Hood will fly to Germany as replacement in the maneuver. The entire division went to Germany last October.

A January thaw in New England is mentioned in literature as early as 1788.

Operation Big Thrust begins with 16 consecutive flights from Bergstrom, 6 miles southeast of Austin. They are scheduled to terminate at Rhein-Main, near Frankfurt, Germany.

CUBAN WATER LINE TO BASE CUT IN HALF

GUANTANAMO BAY, Cuba (AP)—Irrked by charges that the Guantanamo Naval Base had stolen water from a Cuban pipeline, Rear Adm. John D. Bulkeley issued an order to "cut the damn thing in half."

So while Cuban military guards watched, four Cuban workmen from the base went out Monday and severed the 14-inch line from the Yateras Reservoir.

Until Feb. 6 two million gallons had flowed over the pipeline each day. Then the Cubans turned off the water, but the pipeline stayed in place. Now the base is completely independent of Cuban water supplies.

RAP BROADCASTS

Broadcasts the past few days over Havana Radio have charged the Americans were stealing water from the pipeline.

The salty admiral said he made the decision to cut the pipeline after Secretary of the Navy Paul Nitze asked him whether there was any truth in Cuba's charges.

"I told him we had not cheated or stolen anything," Bulkeley told a news conference. "We haven't accepted and will not accept any water from Cuba."

Hanover High Uses Video Tape Setup

Hanover High School has been using educational television for the last year through videotape recordings which can be played to any room in the school at any time.

Dr. Elmer Stevens, superintendent of the Hanover School, reported Saturday Hanover was the first public high school in the nation to use videotape programs in its educational system and that as a result it was able to secure federal funds for half the cost of the \$6,000 machine bought to tape the broadcasts.

Richard McCool has been in charge of the educational TV program since it was established at Hanover 11 months ago. McCool has 13 students assisting him in the recording and presentation of educational television programs. McCool said the videotapes are more successful than film, because with the rapid advances in science film becomes dated. Videotape can be erased and a more up to the minute program placed on it.

MISS BLATT PLUNGES INTO SENATE RACE

By VINCENT P. CAROCCI

HARRISBURG (AP)—Internal Affairs Secretary Genevieve Blatt today declared herself in the four-way race for the Democratic nomination to the U.S. Senate.

Miss Blatt, long a loyal organization Democrat but one whose candidacy was rejected last month by the state Policy Committee, said she made her decision to buck the party "only after long and careful and prayerful thought."

"I do not make this decision because of any personal ambition to be a United States senator, although to hold this position would be a high honor and a great challenge which I would deeply appreciate," she said.

"I make this decision, however, in the sincere belief that the best interests of the Democratic party demand it."

Miss Blatt, thus, becomes the fourth candidate for the nomination to battle incumbent Republican Hugh Scott in the November election. Scott has taken opposition in the Republican primary.

State Supreme Court Justice Michael A. Musmanno, the organization candidate, had his nominating petitions filed for him Monday. Two other independent candidates — Milton Shapp, Philadelphia industrialist, and David Roberts, Allegheny County prothonotary, filed in person.

Miss Blatt made her announcement at a news conference in the state capitol newsroom.

Kuchel explored the stand President Johnson has taken recently on civil rights, elimination of the poll tax and other pertinent legislation which, he said, while a senator from Texas, he had repeatedly voted against those matters. He declared the Republicans will stand united in support of these important issues regardless of the opposition.

GUESTS INTRODUCED

Among the guests at the speakers' table introduced by Atty. Wolf were Atty. Oscar Spicer, president of the Young Republicans; Mrs. D. Edwin Benner, president of the Adams County Council of Republican Women; Representative Harry D. Ridinger, State Committee chairman; Fred G. Pfeiffer, Senator D. Elmer Hawbaker; Theodore Reed, assistant secretary of highways, York; Mrs. Muriel Brendle, vice chairman; G. W. Lefever, registration chairman, and Orville Orner, Wilbur Varian and Crosby Hartzell, members of the banquet committee.

Richard Wetzel, assistant to state GOP Chairman Craig Truax, spoke briefly on registration. He said that the state committee is pleased with the organization in Adams County. Statistics he quoted disclosed that the electoral votes of Pennsylvania have been cast for a successful candidate 80 to 90 per cent of the time. He expressed the opinion that the efforts in this county "will prove very important in the coming election."

CIVICS CLUB GETS CHARTER

The Civics Club of St. Francis Xavier School has received its official charter from the Commission on American Citizenship in Washington, D.C.

The charter formally recognizes affiliation of the local unit with the national organization at the Catholic University of America. Pupils of Grade Eight comprise the local membership. The officers of the newly organized club are: John Oyler, president; Terrence Bowling, vice president, and Betty Harding, recording secretary.

The local club is one of thousands of Catholic Civics Clubs chartered in the United States for the express purpose of developing informed, responsible young citizens.

The theme of this year's program is "Guard the Freedoms They Won."

Club members get help in developing this theme from Young Catholic Messenger, national current-affairs weekly for the student. Monthly articles in the periodical point up the fundamentals of good citizenship and suggest practical projects for the club members.

Funeral services will be held Friday afternoon at 2 o'clock at the Dugan Funeral Home in Bendersville with a former pastor, the Rev. Arbe Dorsey, now of Greencastle, and the Rev. Charles Sunday, now pastor of Mt. Olivet, officiating. Interment will be made in the Bendersville Cemetery. Friends may call at the funeral home Thursday evening after 7 o'clock.

SCHOOL BOARD

(Continued From Page 1) Considerable attention was given by the 14 board members present to unsatisfactory conditions in the new elementary building, and William Murphy, representing Buclart Associates, architects, promised that the items in question would be corrected before the prefinal inspection is made on February 26.

The grounds and building committee was authorized to have the roof of the original section of the building repaired at a cost not to exceed \$2,000. Members of the board expressed dissatisfaction at the quality of workmanship used in providing the original roof, and seeks to enforce the bonding agreement with the contractor or supplier for reimbursement on necessary repairs. According to some members of the board, the roof "has leaked ever since it was put on."

A request from a parent for weekend gymnasium facilities for local youth was referred to the administrator for consideration.

MERGER PROMOTION

Considerable discussion revolved around the promotion of the merger issue to be placed before voters in the April 29 primary elections, and action was tabled until the March meeting. Several methods of explaining the merger to taxpayers were discussed and ranged from personal contacts to public meetings. Directors agreed to study the issue thoroughly in order to be able to answer taxpayers' questions accurately and informatively.

The board approved bills in the amount of \$21,663.34, which included \$17,169.03 in payroll, \$1,795.20 in transportation and \$300 in loan payment. Income for the month totaled \$21,934.26 and included \$331.38 in tuition and \$543.88 in driver education reimbursement. The cafeteria report showed an income of \$3,768.36 and expenses of \$2,973.95 for 20 days of operation, during which meals were served to 8,467 students and 320 adults.

The board adjourned at 10:30 o'clock for an executive session.

LENTEN SERVICE

Mrs. Austin H. Fellenbaum, a member of the faculty of Gettysburg College, will conduct the second of the series of noon-day Lenten meditations being conducted by the Religious Emphasis Committee of the YWCA Wednesday from 12:10 to 12:30 p.m. The public is invited.

Lincoln Memorial: Ground for the Lincoln memorial, to be erected in the shadow of the Washington Monument, was broken Feb. 12. It will be a magnificent building, the Lincoln Memorial Commission having decided on this rather than a Memorial Highway to Gettysburg.

Truckers Fight for Market: Voicing their sentiments against the proposed abandonment of the Gettysburg curb market the truckers of the upper end of Adams County have gotten together and a petition signed by more than fifty prominent residents of that section will be presented to the next town council meeting. A committee composed of R. W. Taylor, John Garretson, Isaiah Knouse and George Culp visited Gettysburg on Tuesday to learn the sentiment of the people of town concerning the market.

Will Fly No More: James B. McCalley, of Harrisburg, who was unsuccessful in his attempt to fly at Gettysburg during the National Guard encampment in 1912 has abandoned the game. The Curtiss biplane, with which McCalley attempted to make flights in this and other counties, can be purchased at a reasonable figure. McCalley made a few successful flights, although most of his attempts were failures. On one occasion he got into the air about fifty feet when he struck an air pocket and gravity brought him to earth. He limped out of the Harrisburg hospital a week later. At Gettysburg he got up about fifty feet when his engine stopped and he came down by volplaning and broke a part of the machine. He is now in Pittsburgh where he has accepted a that of an aviator.

Cashtown: The Civic League of this place has completed the boardwalk from the schoolhouse to Main street, which makes a great improvement. . . . The Civic League will hold a colonial luncheon and tea on the afternoon and evening of February 21st in the League rooms. Mrs. Wm. Arch McClean of Gettysburg will make an address. . . . I. D. Mickley has his new stable raised on his property to which he will move in the near future. . . . R. D. Bream has bought a new auto truck which he will use for his huckster route and other hauling. The Sheely Brothers are making preparations to build their new barn where the one burned. They intend building a round barn 20 feet in diameter with the silo in the center. J. H. Fritz will do the carpenter work. . . . H. W. Deardorff has the saw mill sawing out the bill for his new house which he will erect in town in the near future.

Small Attendance: A small audience was present for the monthly meeting of the Parent-Teacher Association on Friday evening. Miss Mary Himes played a piano solo. Mrs. Roy E. Zinn sang and an address was made by Prof. T. W. Shannon. The banner was won by the Freshman class of the high school.

County Roads Drifted Shut: The hardest worked man these days is the rural mail carrier who is just now up against the proposition of either conquering snow banks from three to five feet in depth or else returning with his route partly covered. On Monday not one carrier from the Gettysburg office covered his full route. Some of them got to scarcely half their patrons and many had to do without their mail. Today's Talk

TEACHERS

A teacher, whether one who teaches privately or in school or college, is one of the noblest and most useful of all human beings. His or her responsibility is very great, for it is that of molding character far more than the instructing of the mind.

The teacher's task is often tedious for year in and year out the routine often is much the same. But that teacher is great who can so teach as to make every student feel that he is being instructed by one who is doing so for the first time.

Confucius once said: "He who by warming up the old can gain knowledge of the new is fit to teach." There is little actually new in the world — only the adoption of the old to the new. And this method will continue for so long as man inhabits the earth. For example, take the simple invention of the wheel. First its use was for a cart to move things, and that by hand. Today wheels move the affairs of the world, in a thousand different creations.

The most efficient teacher is the one who understands human nature best, and who seeks to bring out the personality of a student, and make him think for himself or herself.

The turning point in many a person's life has occurred while under the guidance of a patient and intelligent teacher.

In a large sense, we are all both teachers and students. That one from whom no one is able to learn is certainly an unfortunate human being. On the other hand, that one is only partly alive who cannot learn something from everyone met.

Books are teachers — but Nature is our greatest teacher. From her we learn to live, learn to relax and take time, and from her we learn values. From her we learn the language and the thoughts of the Creator. We learn how everything was created for a purpose, no matter how neglected by man. From Nature we learn what is good for us.

If a tree, or mountain, or snowflake, or stream could only talk, each would tell a story that scientists, no matter how expert, would listen to with open eyes and ears. The fact is that all about us are teachers. All that is necessary is for us to have an open mind, ready and willing to let all knowledge enter!

LAW BREAKER

The good man wondered why the crook should violate the statute book. And wreck his life and give his time.

To wanton folly and to crime. It seemed to him that all should pause To count the cost of breaking laws.

The doctor to the good man said: "You must go earlier to bed, Read not so late at night and take a long vacation or you'll break. This everlasting fun and strain Will bring you to a bed of pain."

"Think not that you alone can do The many tasks which fall to you. Drop half your burdens; learn to play; Don't rush so fast along the way. Though very noble seems the cause, You're breaking all of nature's laws."

The good man heard, and well he knew The words the doctor spoke were true. "I'm one," said he, "who cannot quit, I'll work and get away with it!" But now he knows, since health is lost Why man refuses to count the cost.

HEAR FOREIGN STUDENT

Miss Randi Myrvang, International Christian Youth Exchange student from Norway, was the guest speaker at the meeting of the Luther League of St. Luke's Lutheran Church near White Hall, held Sunday evening at the church. Miss Myrvang, who is spending the year in the community, gave an informative talk on her native country. The program included the group singing of "In the Garden," accompanied by Jeanne Bessel; scripture reading, John McCoy; prayer, Rebecca Spangler. The meeting closed with the Lord's Prayer repeated in unison. The young people will meet again Sunday, March 1, at 6:30 p.m.

EAGLE SCOUT AWARD GIVEN TO G. ALTOFF

Gerard T. Altoff, son of Mr. and Mrs. Paul E. Altoff, 24 E. Myrtle St., Littlestown, and a freshman at Delone Catholic High School, received the Eagle Scout award at the annual Court of Honor of Boy Scout Troop 84 Monday evening at the Community Center.

The Eagle Scout badge was presented by Stanley C. Rogers, Black Walnut District field executive, to Scout Altoff's mother, to be pinned on his uniform.

A wall plaque was presented to his father, to be awarded to his son. The Eagle Scout record book was given to Scoutmaster Edgar A. Wolfe, to be presented to the award recipient. Mr. Rogers also read a letter of congratulations from Joseph A. Brunton Jr., chief Scout executive of the National Council, Boy Scouts of America. Gerry has two older brothers, Laurence, a senior at Delone, and Robert, a sophomore at Delone, who also have received the Eagle Scout badges.

OTHER AWARDS

The Court of Honor opened with the official candlelight ceremony with Assistant Scoutmaster John R. Rudisill as master of ceremonies. Scout Altoff and Scout Ronald Redding were in charge of the candlelighting.

Other advancements included: Tenderfoot to Charles Pittenturf, Martin Mehrling, Richard Greer, and John McIlvaine, presented by Scoutmaster Wolfe; Second Class to Donald Rhinehart presented by Luther D. Snyder; First Class to Gary Wolf, presented by Stanley Rogers; and a naming merit badge to Gary Wolf by Scoutmaster Wolfe.

GIVE TRAIL PLAQUES

L. D. Snyder, institutional representative of the troop, spoke about the hike on Saturday when approximately 25 Scouts and seven adults participated in the annual winter hike. The trail led for approximately 10 miles from Wrightsville along the Susquehanna River. Lunch was enjoyed in the basement of the Nash C. Snyder cottage. Appalachian Trail names presented to those hikers who have made five hikes covering the trail from the Susquehanna to the Potomac, were awarded by Mr. Snyder to Larry Hull, William Snyder, Robin Weaver and Steven Redding. Accompanying the hikers on Saturday were Mr. Snyder, Assistant Scoutmasters Victor Reynolds and Robert Hahn, Senior Patrol Leader Larry Altoff, Andrew Greer, G. Edward Murphy, Charles Hahn.

Miniature canoes were awarded to the 10 Scouts who participated in the annual three-day canoe trip from Wrightsville to the Chesapeake by Mr. Snyder and Mr. Reynolds. Recipients whose names were imprinted on the canoes were William Snyder, Ray Muller, Gerry Altoff, Christopher Sentz, Larry Hull, Steven Redding, Ronald Crabbs, Robin Weaver, James Rohrbaugh and Wayne Mummert. Robert Hahn also received a canoe.

One-year service pins were presented to Richard Apple, Edward Baumgardner, Douglas Barnhart, James Beard, Albert Cookson, William Evans, Ambrose Horn, Steven Hornberger, Robert Kress, Randy Miller, Dennis Miller, Kenneth Motter, Charles Pittenturf, Donald Rhinehart, John Roser, Dennis Runk, William Sheely, Lewis Waltz and Craig Zimmerman; two-year service pins to John Bowman, Eugene Pittle, Robert Collins, Carl Gentzler, Larry Hull, Bruce Hoffman, Walter Mehrling, Wayne Mummert, John O'Connor, Allen Ozminski, Steven Redding, Terry Redding, Robert Ritter, James Rohrbaugh, Christopher Sentz, Steven L. Snyder, William Snyder, Robin Weaver, Terry Wolfe, Gary Wolf; three-year service pins to Gerard Altoff, Bruce Fitz and Ray Muller; and four-year service pin to Ronald Redding.

FILM IS SHOWN

Ten Scouts were transferred from the troop to Post 84 and Post Advisor Stanley Frock welcomed them. He invited them to the next meeting on Monday at 7 p.m. They are Gerard Altoff, Bruce Fitz, Carl Gentzler, Ray Muller, Wayne Mummert, Ronald Redding, Terry Redding, Steve Renner, James Rohrbaugh and Christopher Sentz.

Cub Scouts who were graduated at last week's Blue and Gold dinner were welcomed into the troop.

A check for \$25 was presented to the Scoutmaster on behalf of Post 84 to be used as he sees fit by Robert Hahn. Remarks were given by Charles E. Ritter, troop committee chairman.

The program concluded with the showing of a color sound film on the 50th anniversary Boy Scout Jamboree at Pike's Peak. Four local Scouts and Explorers are registered for the 1964 Jamboree at Valley Forge.

POST OFFICERS MEET

Officers of Explorer Post No. 84 met on Monday evening at the Community Center with Institutional Representative Howard Bowman presiding. Cabinet Representative Larry Altoff reported on a camping trip planned for March at the 40 and 8 Lodge. A uniform inspection for Explorers and committeemen will be held in conjunction with the meeting next Monday at 7 p.m. at the Community Center. A brief business period was held by the general membership, after which the Explorers assisted with moving at the new residence of Assistant Post Advisor Lee Krout.

SS LEADERS MEET

The Sunday School workers of Redeemer's United Church of Christ met Monday evening at the church. It was decided to purchase some supplies for the Nursery and Primary Departments. Preliminary plans were discussed to have a Children's Day program in June. Mrs. Glenn K. Flinchbaugh was named children's divisional leader.

The Senior Choir of Redeemer's Church will rehearse Thursday at 7:30 p.m. instead of Wednesday this week.

GUESTS AT ST. PAUL'S

Approximately 80 young people from the youth groups of the community churches were guests of the Senior High and Junior High Luther Leagues of St. Paul's Lutheran Church for a gathering on Sunday evening. Devotions were led by Ruth Ann Benner. The film entitled "Just A Stranger" was shown. Dancing was enjoyed during the fellowship hour. Refreshments were served. The Luther Leagues of the host church will have regular meetings next Sunday at 6:30 p.m.

CLASS LEADS S.S.

The Rose-of-Sharon Class was in charge of the program in the Adult Department of St. John's Lutheran Church School on Sunday morning. Devotions were led by Mrs. Preston Clouser, class teacher. A film, "Beyond A Doubt," was shown. Selections were sung by the Men's Brotherhood Quartet composed of Edgar E. Yealy, Glenn E. Unger, Ronald W. Strevig and Albert M. Starner, accompanied by Mrs. Ronald Strevig.

The Ever-Willing Class of St. John's Church is selling candy as a fund raising project. Candy orders should be given to Mrs. Kenneth W. Miller by Sunday.

LOSS OF HUBBS BIG BLOW TO HOPES OF CUBS

By BOB KENNEDY
Chicago Cubs

MESA, Ariz. (AP)—Until I learned about Ken Hubbs' tragic death in an airplane crash I was convinced that the Cubs would be stronger this year.

Hubbs had his whole big league career in front of him and he was a fine second baseman. Last year, he and And Rodgers developed into one of the best keystone combinations in the league.

I haven't even begun to think about a replacement for Hubbs. We'll just have to wait and see what happens in spring training.

BANKS RECOVERED

I'm confident that Ernie Banks can come back. He's only 32 and he's fully recovered from his illness which robbed him of his strength and vitality.

Banks' sickness was a sort of a mystery at first but finally doctors diagnosed it as sub-clinical mumps. Even in his worst year, he still hit 18 home runs and was third on the club in runs batted in with 65.

I expect improvement, too, from several other players who fell down, namely Rodgers and catcher Dick Bertell.

Don't be fooled by our seventh place finish last year. It was the best season the Cubs had in 17 years. We finished two games above .500 and that's probably a record for a seventh place club. We were 23 games better than we were in 1962.

Pitching was the No. 1 reason why we won more games. Dick Ellsworth, our 22-game winner, had a 2.10 ERA, second only to Sandy Koufax. He's finally come into his own. Larry Jackson had only a 14-18 record but he had lots of tough luck. With any breaks he could have won 20. He was sixth in the league with a 2.55 ERA.

Other starters include Bob Buhl, Paul Toth, Glenn Hobbie and Cal Koonce. We're going to give newcomers Dick Scott and Fred Norman, who set a record in the Eastern League by whiffing 258 batters in only 198 innings, a real shot at a starting berth.

Next to the pitching, I'd have to say Ron Santo was as responsible as any player for our good season. He is the equal of any third baseman in the league on defense and ranks on the same plane with Ken Boyer of the Cards on offense. He was our leading run producer and steadiest hitter.

As a team, we've got more speed and better pitching than we had last year. If Billy Cowan, a young speed demon from Salt Lake City, can make it in center field, we will have the fastest outfield in the majors. Billy Williams, a great all-around player, will be back in field, and Lou Brock, who developed into a star last year, may be switched from center to right. Ellis Burton, who did such an outstanding job for us last year, is still very much in the running for a regular outfield berth.

PETITIONS FOR SCRANTON OUT

LANCASTER, Pa. (AP)—A petition is being circulated in Lancaster County to place the name of Gov. Scranton on the ballot for the April 28 presidential preferential primary in Pennsylvania, a Republican Party spokesman said Monday night.

The spokesman, who declined to be identified, said the petition is being circulated in "relative secrecy" in view of the governor's position that he is not a candidate for president.

He said the petition, which reportedly has some 125 names so far, are "a safeguard in case petitions are presented to the State Elections Bureau to have Sen. Barry Goldwater's name on the ballot."

He added that Scranton petitions will be withheld if Goldwater's name is not presented.

MAN KILLED BY MONOXIDE

HAZLETON, Pa. (AP)—Carbon monoxide fumes from their station wagon Monday killed one man and sickened five others as they completed a trip home from the Bethlehem Steel Co. plant where they work.

The dead man was Reticall Argus, 58, of Beaver Meadows, Carbon County.

Thomas Sheridan, 39, of West Hazleton, was reported in good condition at Hazleton State General Hospital. Louis Marconi, 41, of Hazleton, was admitted to the same hospital and discharged.

Treated at their homes were Adam Chimicola, 49, Beaver Brook; William Buchman, Hazleton; and Anthony Rymond, also of Hazleton.

Buchman, driver of the station wagon, said they had detected fumes in the car earlier, but decided to finish the trip. Buchman dropped his passengers off, Chimicola first, then Argus, Marconi and Rymond. After stopping off to pick up a new tailpipe for the car, he dropped off Sheridan.

Buchman later learned that Argus and Marconi had collapsed in the street when he left them off in Hazleton.

FILM FOR WOMEN

The women of in and near the community are invited to see the film "Time and Two Women" to be shown by St. Aloysius Parish Council of Catholic Women at 8:30 p.m. on Wednesday in the parish hall. The informative film is being shown in conjunction with the National Cancer project "Conquer Uterine Cancer." Mrs. Henrietta Blocher, Adams County cancer chairman, will be present to introduce the film. Mrs. Thomas G. French heads the February hostess committee. The gathering will follow the community Lenten services and the program will precede the monthly business session of the council.

ACCEPTS AS PRESIDENT OF BUCKNELL

LEWISBURG, Pa. (AP)—Dr. Charles Henry Watts II, 37-year-old newly appointed president of Bucknell University, believes the future of that central Pennsylvania institution should be "exciting."

"Bucknell's future should be an exciting one," Watts said Monday in a statement accepting the presidency, "with a strong tradition of fine teaching in the liberal studies and an equally strong tradition of public service."

"It can serve the community and the nation by holding fast to quality without suffering from exclusiveness. Its judgment of itself and the world can continue to be an independent one. In short, I think it can exercise significant leadership."

Watts, executive associate of the American Council on Education in Washington, D. C., will succeed Dr. Merle M. Odgers, who is retiring Aug. 1.

Watts is a specialist in the field of American literature and an authority on the work of Thomas Holley Chivers, pre-Civil War poet. He holds a Master's degree from Columbia University and a Doctor of Philosophy from Brown.

Canners Hope To Upset Warriors Here Tonight; N.O. May Clinch Title

Final games in the second half of the Blue Mountain Basketball League are scheduled this week with tonight's game here between Gettysburg and Biglerville being one of the most important.

All teams will be in action tonight and again Thursday. Games are ordinarily played Friday evening but were moved up this week due to the Blue Mountain wrestling tournament at Big Spring on Friday and Saturday.

Coach Merrill Eckhart's Warriors (6-1) in the second half campaign must win over the Cannors (2-5) this evening and from Northern here Thursday to stay in the race. Meanwhile they will pull for Camp Hill (5-2) to upset East Pennsboro (7-4) in their clash tonight at Eola.

Gettysburg clinched the first half title on January 21 by defeating Biglerville 56-43 on the Cannors' floor, the loss dropping Biglerville into a second place tie. After that the Cannors went into a tail spin and faded early from second half contention. Last Friday Coach Dan Bushman's outfit showed signs of reviving by clobbering Northern 72-51. They hope to spring a surprise here and could well do that with such outstanding performers as Bob Garretson, Rod Guise and Bob Bream.

A big crowd is expected to again watch the intra-county rivals.

Earl Little's reserves will be out to avenge a 29-27 overtime loss when they meet the Cannors juyvees in the preliminary at 6:45.

Other games in the BML tonight include Big Spring at Northern, Boiling Springs at Shippenburg, and Newport at Susquehanna.

New Oxford can clinch the Adams Division title in the Adams-Franklin League this evening when it meets St. Thomas on the Saints' floor. Jake Diviny's Colonials registered an easy 73-49 verdict over St. Thomas at New Oxford earlier in the campaign and are expected to repeat.

Littlestown, winner of six of its last seven games, faces a rough assignment at James Buchanan. The Thunderbolts are tied for second place in the Adams Division with Bermudian, both having 6-5 records. Bermudian should have an easy task with Fannett-Metal (1-13) at York Springs.

The other league game sends Greencastle to Scotland. Fairfield will be idle this evening.

YORK AT DELONE

Although out of contention, the Delone Squires could play an important role in the second-half race of the Central Penn Catholic League by upsetting York Catholic at McSherrystown tonight. York, with one of its best teams in years, is deadlocked with Bishop McDevitt at 3-4 for first place. Delone has dropped all of its three second-half games. The Squires were beaten at York earlier this season 66-52.

VILLANOVA AND DE PAUL GAIN IN WEEK'S AP POLL

By BEN OLAN
Associated Press Sports Writer

Villanova and DePaul, both selected for postseason tournaments, moved up in this week's Associated Press major-college basketball poll. The voting still is dominated by unbeaten UCLA followed by Michigan and Kentucky.

Duke and Oregon State also gained ground while Drake, the Missouri Valley Conference pace-setter, advanced to 10th place.

UCLA collected 35 first place votes and 376 points in the balloting by a special panel of 38 regional selectors. The Bruins beat Washington twice last week and upped their record to 21-0.

CLOSE CONTESTS

Michigan had one first place vote and 320 points and Kentucky polled 290 points on a basis of 10 for a first-place vote, 9 for second, etc. The Wolverines defeated Indiana 99-87 for a 17-2 record while Kentucky is 18-2 after whipping Mississippi State 65-59.

Duke's Blue Devils advanced one place to fourth with two first-place votes and 251 points. Duke is 17-3 after beating Virginia and Davidson.

Villanova moved up three places to fifth and DePaul climbed one notch to ninth. Villanova, 19-2 following victories over Duquesne and Canisius, was named as an at-large team to the NCAA tourney Monday. DePaul, 16-2 including last week's triumph over Marquette and Western Ontario, accepted a bid to the National Invitation Tournament.

DAVIDSON TUMBLES

Wichita remained sixth despite its 64-63 setback by Drake. Oregon State went from ninth to seventh following a 76-72 conquest of Seattle for a 21-3 record. Davidson fell from fourth to eighth. The Wildcats lost to Furman and Duke last week.

Drake replaced Vanderbilt in the Top Ten on the strength of its victory over Wichita and a 17-4 record. Vandy, seventh a week ago, lost two games last week, 75-71 to Georgia Tech in overtime and 64-62 to Tennessee.

The Top Ten, with first place votes in parentheses and points on a 10-9-8-7-6-5-4-3-2-1 basis:

1. UCLA (35) 376
2. Michigan (1) 320
3. Kentucky 290
4. Duke (2) 251
5. Villanova 244
6. Wichita 239
7. Oregon State 222
8. Davidson 195
9. DePaul 176
10. Drake 167

Astronauts Will Perform At N. O.

A big crowd is expected Wednesday evening at 8 o'clock when the New York Harlem Astronauts meet an all-star New Oxford basketball squad in an exhibition game on the New Oxford High School floor under the sponsorship of the New Oxford High School Athletic Association.

The unbeaten Astronauts combine unusual basketball ability with a fine pregame and half time show.

Adult tickets are \$1.25 and student tickets \$1 if purchased at the door. Tickets may be purchased in advance at Holtry's Service Station and the Aero Oil Co., New Oxford, and at New Oxford High School for \$1 and 75 cents.

9 TEAMS GET NCAA BIDS; 3 LISTED BY NIT

By BOB GREEN
Associated Press Sports Writer

And just why did Providence, the National Invitation Tournament defending champion, turn down a bid by the NIT and accept one from the National Collegiate Athletic Association?

Well, athletic director, the Rev. A. B. Begley candidly pointed out, "It's the first time we had a chance to accept." Which means it's the first time the NCAA had ever picked Providence to fill one of the 10 at-large spots in its national tournament.

"We accepted the NCAA invitation," Begley said, "because we belong to the NCAA and it's our association championship."

3 ACCEPT NIT

The Friars, who had some early season uneasiness but now appear to have found the formula, were one of nine teams picked by the NCAA. Three more accepted bids to the NIT Monday as the two groups began their selections.

In addition to Providence, the NCAA selected defending champion Chicago Loyola, Villanova, Creighton, Texas Western, Louisville, Oregon State, Utah State and Seattle.

One more NCAA at-large team remains to be picked for the long string of eliminations that culminate in the national tournament at Kansas City March 20-21. The other 15 spots go to conference champions.

NIT CHOICES

The NIT, which will be played in New York's Madison Square Garden March 12-21, picked DePaul, 16-2; Pitt, 14-6; and New York University, 11-5. Nine others will be selected later.

Providence, 17-3 after Monday night's 95-75 triumph over Scranton, and Villanova, ranked fifth nationally at 19-2, are in the NCAA Eastern regional along with Temple, Middle Atlantic champion, and the champions of the Yankee, Southern, Ivy and Atlantic Coast conferences.

Loyola, 15-5, and Louisville, 14-6, are in the Midwest's and the conference champs from the Mid America, Ohio Valley, Southeastern and Big Ten.

LIST ELIMINATIONS

The Midwest has Creighton, 19-5, Texas Western, 19-2, and winners from the Southwest, Missouri Valley, Big Eight and one more at-large team to be named.

The Far West has Oregon State, 21-3, Utah State, 17-3, Seattle, 16-4, and winners from the Western Athletic Conference, the Big Six, the West Coast and the Big Six.

Regional championships are scheduled March 13-14 in Raleigh, N.C., Minneapolis, Wichita, Kan., and Corvallis, Ore.

SMASH VANDERBILT

Providence, which won only four of its first seven, celebrated its selection with its 13th straight triumph in the decision over Scranton. John Thompson and Jim Stone each had 25 points for the rampaging Friars who were never in serious trouble.

Probably the top attraction was Kentucky's 104-73 home triumph over Vanderbilt. Cotton Nash played one of the finest games of his career in sparking the victory that put the Wildcats in sole possession of first place with a 9-2 Southeastern record. Kentucky, ranked third in the nation, is 15-2 over-all.

G-BURG SEEKS TOP SPOT IN CAGE DEFENSE

The Gettysburg College basketball team will put in a strong bid for the nation's number one major defensive team when it takes on Juniata and Delaware in this week's games.

The Bullet cagers held Lafayette to 47 points Saturday to advance to second place with a defensive average of 54.7. New Mexico, last week's leader, dropped to third place by giving up 65.3 points to Wyoming. New Mexico is currently averaging 54.9 points on defense. San Jose State, which allowed Pacific but 50 points in Saturday's clash, moved into first place with a 54.3 average. Both New Mexico and San Jose State play on Friday.

GAME WEDNESDAY

Coach Bob Hulton will send his cagers against Juniata Wednesday evening on the Indians' court. Juniata has been averaging 67 points a game.

Ralph Harden, starting his third season at the Juniata helm, will start Bob Pascale, 5'11"; Ted Baldwin, 6'; Jim Doyle, 5'10"; Don Engle, 6'11"; and Charles Robuck, 6'4". Robuck is the team's leading scorer with a 15.2 average and currently has a 15.7 rebounding average.

The Bullet defense will receive another stiff test on Saturday at Delaware. The Blue Hens have been clipping along at a 75-point per game pace. Delaware's starting lineup against Gettysburg will include Pete Cloud, 6'5"; Ron Smith, 6'5"; Captain Dick Sykes, 6'5"; Tom Lyons, 6'2"; and Gerry Galluccio, 5'7".

Gettysburg starts the week with a 14-7 record overall and a 4-4 mark in the Middle Atlantic Conference university division. Hulton will go with his same five starters which include Roger Geedeker, 6'5"; Chris Sims, 6'5"; Doug Kepner, 6'6"; George Strouse, 5'11"; and Don Seagda, 5'10".

Rebuilt X15 Plane Ready For Flight

LOS ANGELES (AP) — A rebuilt X15 rocket plane, designed to fly at speeds up to 5,300 miles an hour, leaves by truck today for Edwards Air Force Base, Calif.

A spokesman for North American Aviation, Inc., said first flight is expected in May. The plane, one of three built by North American, was damaged in a crash landing in November 1962.

ROYALS LEAD NBA SCORING

NEW YORK (AP) — The top offensive machine in the National Basketball Association belongs to Cincinnati's streaking Royals.

The Ohioans, unbeaten in the last 12 games, including Monday night's 129-113 victory over San Francisco, lead the NBA in four departments, thanks to heavy individual contributions by amazing Oscar Robertson.

League statistics through last Sunday's games show Cincinnati ahead in total points, points per game, field goal percentage and assists. The Royals are second in rebounding and third in free throw percentage.

Robertson is the individual leader in foul shooting, with an .854 mark, in assists, with 683, and is second to San Francisco's Wilt Chamberlain in the point race. The Big O is averaging 30.9 points per game; Wilt is hitting at a 36-point clip.

SCRANTON ON NATIONWIDE SHOW SUNDAY

WASHINGTON (AP) — Gov. William W. Scranton of Pennsylvania says it takes "a real determination that you want to be President" to make a good candidate.

Scranton, on a nationwide television program (NBC-Meet the Press) Sunday night, restated his position that he is not a candidate for the Republican presidential nomination "and do not expect to run but that I would accept a draft if one were honest and sincere and really offered me."

Scranton said you had to be "stirred up about things" to make a good candidate. He added:

"TWICE BEFORE"

"And it always takes me quite a long time, frankly, to get so stirred up. I did twice before. I know, when I was running for Congress and running for governor, but so far I haven't seen or felt those stirrings."

Asked to describe a "perfect Republican candidate," Scranton said the man would have to be strong in the big cities which have been Democratic strongholds since 1932. He added:

REFUSES PREDICTION

This description obviously left out Sen. Barry Goldwater. In fact, Scranton said he felt Goldwater had been going downhill politically in Pennsylvania since the assassination of the late President John F. Kennedy, although he said the Arizona sen-

WOMAN IS REVIVED BY BOY SCOUT

BEAR, Del. (AP) — Sean Buckstoll, a 13-year-old Boy Scout of Bear, in New Castle County, revived a Philadelphia woman by mouth-to-mouth resuscitation Saturday after the woman had apparently suffered a heart attack and stopped breathing.

Mrs. Joseph Boffa, 55, was reported in serious condition today in Episcopal Hospital in Philadelphia, where she was taken after being revived by Buckstoll.

The Buckstoll family was visiting the Boffa's when the incident occurred.
The young Boy Scout immediately gave mouth-to-mouth resuscitation and estimated it was about five minutes before Mrs. Boffa resumed breathing.

"When she came to," he said, "she was in a cold sweat. I applied cold compresses to her face and head."
Both families are formerly from Norristown, Pa.

Mandatory Bible Reading Adopted By Cornwall Dist.

LEBANON, Pa. (AP) — The Cornwall-Lebanon Suburban Joint School Board voted Monday night to abandon its policy of permissive Bible reading in favor of a mandatory one.

The board already is defendant in a suit brought by a man who claims the constitutional rights of his children were infringed upon.

The board also adopted a resolution deploring threats which James N. Snavely, plaintiff in the suit, said were made against his family as a result of the court action.

In another development, Dist. Atty. Alvin B. Lewis Jr. of Lebanon County planned to hand over to the state today findings of an investigation into the Feb. 10 arrest of Snavely on a charge of licensing his dogs. Snavely contended that his arrest was prompted by his Bible reading stand.

In a 22-2 vote, with two members absent, the board rescinded an Aug. 16, 1963, resolution, which established the permissive Bible reading policy. This policy permitted individual classroom teachers to decide whether daily Bible reading should be conducted in their classrooms.

The new resolution places the Bible in the "literary" field and requires each teacher in the 3,700 pupil system to devote 15 minutes of each school day "to read or have read, selections from the Holy Bible, and from such other sources as, in the discretion of the administration, best illustrate its literary and historical qualities."

ADVICE OF COUNSEL

The board expressed hope that the new resolution would convince legal counsel for Snavely, his wife, Mary, and the American Civil Liberties Union, which is aiding them in their suit, to drop the action.

The resolution was adopted on the advice of H. Ober Hess, Philadelphia lawyer obtained by a special committee of the board.

Charles Mellinger, chairman of the committee, told the other board members that Hess felt the resolution would meet all the requirements of last year's U.S. Supreme Court decision.

That decision declared that required Bible reading in public schools was unconstitutional.

CHECK ON HOME

A hearing on the Snavely suit is scheduled next Monday in

U.S. District Court in Lewisburg.

As the board met, state and local police made periodic checks of the Snavely home in North Lebanon Twp. in the aftermath of threats which the 33-year-old father of four said his wife received over the weekend.

Lewis, meanwhile planned to meet with Atty. Gen. Walter E. Alexander to present a "thorough report" on circumstances surrounding Snavely's arrest on the night of Feb. 10.

SCRANTON TO MEET BOYER

HARRISBURG (AP) — Gov. Scranton and Harry Boyer, president of the Pennsylvania AFL-CIO, plan to meet face-to-face to discuss the administration's proposed unemployment compensation revisions.

Scranton said he would accept no major compromise of the reforms he has put before a special session of the legislature. Organized labor has said it would wage an all-out fight against the program.

In a letter to Boyer, however, the governor said:

"I believe there ought to be a thorough discussion of all of the points of our schools to be a thorough discussion of all of the points of our proposals which have been challenged. The purpose of such a session would be to better inform the public as to the facts of the proposals and for that reason I feel the news media should be allowed to attend the meeting."

Boyer announced receipt of Scranton's letter Monday following an all-day meeting with some 35 labor leaders from across the state. The meeting was called to map plans for combatting the Scranton proposals.

RITES FOR ORGANIST

PHILADELPHIA (AP) — Funeral services will be held Thursday for Eric Wilkinson, 55, nationally known organist who died Sunday in Misericordia Hospital.

Wilkinson, official organist for the Democratic national convention in Philadelphia in 1948, was a radio personality here for more than 25 years.

The Lenten Story

BY WOODIE ISHMAEL

THE LORD HATH NEED OF HIM

Passing through Bethpage and Bethany on the way to Jerusalem, Christ and His disciples came to the Mount of Olives. There, He sent two of them ahead into the city with instructions to look for a colt tied up and upon which no man had ever ridden.

"And if any man say unto you, Why do you do this? Say ye that the Lord hath need of him, and straight away he will send him hither." (Mark XI:3)

Sure enough, the two disciples found the colt tethered near a doorway, loosed him as directed and, though challenged by a by-stander, were permitted to lead him away. It was on this colt that Jesus made his triumphant entry into Jerusalem.

WOULD ASSURE STATE FUNDS

HARRISBURG (AP) — Legislative efforts are underway to guarantee matching funds from Pennsylvania for the federal manpower development and training program after July 1, 1965.

A resolution empowering the legislature to appropriate the funds when needed was adopted by the Senate Monday on a party line vote and sent to the House.

Democrats withheld approval, claiming Gov. Scranton was neglecting the program.

"The governor is quite aware that federal support for this program will end by July 1965, but he is doing nothing constructive to make it a worthwhile program," declared Minority Leader Charles R. Weiner, D-Philadelphia.

"What we need," he added, "is appropriation bills in sufficient amount to get a retraining program started in Pennsylvania that will mean something to individuals and families."

The federal manpower and development act has been singled out as a key factor in Scranton war on unemployment.

James MARLOW Reports

By The Associated Press

WASHINGTON (AP) — The American-backed war against Communists in South Viet Nam is not only dragging badly but Red assassins are trying to terrorize Americans, including women and children, far behind the lines.

This is building to an anguished dilemma for President Johnson in this election year when he wants to look good in foreign affairs, the field in which would-be Republican presidential candidates criticize him most.

In Saigon, the capital, assassins' bombs have killed and wounded Americans in bars and a baseball stadium. American homes have been attacked with grenades. Sunday night the terrorists reached a peak.

2 MORE YANKS DIE
Outside a movie theater filled with about 500 servicemen and their families, a U.S. military policeman was shot to death. Then came the bomb blast.

Two more servicemen were killed, 51 Americans were wounded or injured, including women and children, and outside the theater a number of Vietnamese were killed or wounded.

An Associated Press dispatch says recent Vietnamese intelligence reports indicate top level Communist terrorist and assassination squads from North Viet Nam started moving into Saigon Jan. 1. The attacks didn't get going well until this month. Now they are multiplying in ferocity.

COUP LAST NOV. 1

Ever since a bunch of South Vietnamese generals took over the government in a coup last Nov. 1, the course of the war has been uncertain and dilapidated.

This developing chaos was compounded Jan. 29 when the generals who pulled off the Nov. 1 coup were bounced out in another coup by another bunch of generals, led by Maj. Gen. Nguyen Khanh, 38.

A "dirty, untidy, disagreeable war," Secretary of State Dean Rusk has called it, although Johnson has said "we're not pulling out."

KIND OF MYTH

Such a withdrawal would wreck American prestige in Southeast Asia where over many years now this country has spent American lives and billions in dollars to save the

area from communism.

The American part in this war is a kind of myth. The United States is not supposed to be directly involved, because that might mean a war with Red China, which this country, after Korea, doesn't want.

In the past three years about 185 Americans have been killed in Viet Nam—mostly in the fighting area but some in Saigon—and about 600 have been wounded or injured. In addition, this country has put over \$5 billion in aid into South Viet Nam.

OBVIOUS PURPOSE

No wonder the Communists—knowing this country's reluctance to get directly involved, since it might mean war with China—have taken advantage of the mounting uncertainties.

Their purpose seems obvious enough: To embarrass Americans throughout Asia; to weaken the will of the South Vietnamese to resist by shaking their confidence in Americans and their own government; and to create dissension in the United States over what to do.

Sooner or later Johnson must make a tremendous decision: To stay and just dawdle along while American men and money are lost; to take more direct action, despite the risks; or to get out.

When a yeast recipe calls for potato water, just use the water in which pared potatoes were cooked.

Holdings Of Billy Rose Increase \$9,000 An Hour Since Oct. 15; \$4 Million

By FRANCIS STILLEY
NEW YORK (AP) — Billy Rose always was a fast man with a buck—making it, that is.

Now, at 64, the onetime boy wonder of Broadway is the sensation of the stock market. The word got around last week that, since Oct. 15, the value of Rose's stock holdings had been increasing by nearly \$9,000 an hour. That meant about \$4 million.

It was no novelty to Rose. As the result of a stock split some years ago, he made a million dollars in 20 minutes.

Rose is the largest individual stockholder in American Telephone and Telegraph and the New York Central Railroad. His long-term profits in AT&T alone are more than \$8 million.

"RICH IS BETTER"
During an interview in his palatial, five-story town house at 56 East 93rd St. Rose was in a reflective mood.

"None of it seems real to me," he said. "The only thing that seems real is the 50-cent piece I have in my pocket."

Is it better to be rich or not rich?
"I think rich is better, but I don't think it's all important."

One thing is, however, important to him at the moment. EYES MARRIAGE

"I want to get married again," he said. "I have been

married four times to three lovely girls. I like girls."

His wives were the late comedienne Fanny Brice, swimmer Eleanor Holm and showgirl Joyce Matthews.

His second marriage to Miss Matthews blew up about a year ago, and since then Rose has been batching in the town house, plus luxurious estates on an island off Connecticut and at Montego Bay, Jamaica, British West Indies.

Rose takes pride in the fact that he has had 11 careers. He lists them in this order.

WORTH UNKNOWN

Songwriter, shorthand expert, nightclub operator, Broadway producer, world's fair impresario (at New York's last one), art collector, theater owner (two in New York), newspaper columnist, real estate operator, philanthropist and stock speculator.

Rose has no idea how many millions he's worth, or how much he spends a year.

What he does know is that most satisfying of his careers was song writing. He wrote the words to some 500 tunes and 35 are still fairly popular. They include "It's Only a Paper Moon," "That Old Gang of Mine," "More Than You Know," and "Million Dollar Baby."

ADVERTISE IN THE TIMES

GUTHRIE SAYS SHAKESPEARE WILL SURVIVE

By BOB THOMAS
AP Movie-Television Writer

HOLLYWOOD (AP)—Sir Tyrone Guthrie, Irish giant of the theater, was in town to say some kind words for an old friend celebrating a birthday.

The old friend is William Shakespeare, born 400 years ago April 23. Guthrie came here as the first speaker in a program for the quadricentennial planned by the UCLA Extension Division, one of many such celebrations in all parts of the world.

Before taking off for other lectures at Berkeley and the Citadel in South Carolina, the famed director of the classics was asked what he thought of this year's do-for the Bard.

"HE'LL SURVIVE"
"Oh, I think he'll survive," he replied. "It is a sign of greatness in such figures as Shakespeare and Verdi that they can survive any amount of mauling over the years."

He conceded that the celebration might even do Shakespeare some good, so long as the plays are accepted for their entertainment value and not as literature. He is appalled at how the young are exposed to Shakespeare.

"They should not be allowed to experience him too early," he observed. "High school is all right. But it is better for stu-

85,804 Pa. Deer Killed Last Fall

HARRISBURG (AP)—Hunters killed 85,804 deer last year in Pennsylvania, according to figures released Sunday by the state Game Commission.

The total included 48,204 bucks taken during the regular two-week December season; 36,212 antlerless deer taken during a special Dec. 16-17 season and 1,388 deer taken by bow and arrow hunters during their season, the first two weeks of October.

Chinese Begin Year Of Dragon

PHILADELPHIA (AP)—An estimated 15,000 persons in Philadelphia came out in 36 degree weather Sunday to greet the Year of the Dragon, 1964 in the Chinese calendar.

As tradition requires, a group of children carrying a gong led off the annual parade in the city's Chinatown section, and a black and white lion brought up the rear.

Featured in the parade was a 50-foot dragon borne on the shoulders of paraders.

dents not to be exposed at all than to be taught Shakespeare by a dull teacher."

Guthrie was also dubious about movies as a medium for appreciating Shakespeare.

"I thought Larry's (Olivier) 'Henry V' was well done, though more cinematic than Shakespeare," he observed. "But his 'Hamlet' was nonsense. It was ridiculous to say that this is a story of a man who could not make up his mind and then show a kind of Nazi guardsman elbowing everybody aside."

"As for Orson Welles' 'Macbeth,' it was rather a horror, but as with much of Welles' work, a horror with a touch of genius."

TO GIVE "HENRY"
Aside from his lectures, Guthrie's contribution to the 1964-1964 celebration will be a staging of "Henry V" at the Tyrone Guthrie Playhouse in Minneapolis.

Guthrie, who rose to fame with his vigorous direction in the Old Vic, the Sadler's Wells and the New York theater, founded the Minneapolis theater last year after despairing of the stultifying economics of Broadway.

CRITIC SAYS CROSBY SHOW BEST OF ALL

By CYNTHIA LOWRY
AP Television-Radio Writer

NEW YORK (AP) — Bing Crosby makes only an occasional television appearance. Each of his shows, however, has been delightful and the most recent, on CBS Saturday, perhaps was the best of all.

The music was tuneful, the dancing graceful and ingenious, the sketches amusing and the guest stars talented.

Peter Gennaro, the bright dancing star, was great and the hit number of the whole show perhaps was his light-footed duet with Kathryn Crosby. Bing's young wife demonstrated that she could sing nicely, too.

LIKES NEW WESTERN
Crosby was his usual relaxed self, singing with Rosemary Clooney, exchanging the usual insult banter with Bob Hope and generally keeping things moving.

Another happy weekend note was the premiere Friday night of ABC's new Western series, "Destry," a tongue-in-cheek affair reminiscent of those wonderful early "Maverick" shows.

Destry is played by John Gavin who is an attractive cross between James Stewart and James Garner. He is sup-

Report Savings In Assistance Funds

HARRISBURG (AP) — The Public Welfare Department reported this past weekend that it saved \$125,135 in public assistance grants in the three-month period ending last Dec. 31.

Welfare Secretary Arlin M. Adams said that 305 public assistance cases were closed and 148 others received reduced grants during the last quarter of last year.

The savings came from a program Adams called "Project Independence," which emphasizes putting hard-to-place recipients in jobs and securing training for existing job vacancies in various areas.

All in all it was a fine weekend of television, without even one drama about drug addiction. Even the Beatles on Ed Sullivan's Show Sunday night seemed fun, or am I getting accustomed to their hairdos?

Pennsylvania
The Republican slate of statewide candidates looks toward the November election with no apparent concern for the reported popularity of President Johnson or for the potential repercussions from the drive for unemployment compensation reform.

The General Assembly reconvenes today in regular and special session, but no action is expected this week on the explosive unemployment compensation issue.

State and local police have stepped up security measures around the home of a North Lebanon Township man who is protesting permissive Bible reading in his local school district. The man, James N. Snavely, said Sunday threats were made on the life of his wife and a son this past weekend.

The Scranton administration's proposal for a unified and modernized eminent domain law in Pennsylvania is to be introduced in the House of Representatives today.

WHEN YOU NEED MONEY TO PAY YOUR BILLS

Remember...

With THRIFT in Town You Have a Friend Around

One of the biggest problems in the family budget is all the bills that have piled up. And they all seem to fall due at the same time. The easiest way to pay them is with a bill consolidation loan from your nearby Thrift office. Borrow what you need and pay it back in monthly payments "tailored" to your budget.

At Thrift, a bill consolidation loan or any loan is a private matter. Our interest rates comply with the State of Pennsylvania's Small Loan Act (loans up to \$600), and the Pennsylvania Consumer Discount Company Act (loans of \$601 to \$3500).

OAS LEADERS RESUME TALKS IN WASHINGTON

By ROBERT BERRELLEZ
PANAMA (AP)—The Organization of American States, trying to break the five-week deadlock in the U.S.-Panama dispute, shifted its peacemaking effort back to Washington today after evident failure in the Panamanian capital.

The five-nation OAS committee's departure for Washington early today signaled failure of its week-long search here for a formula on which the two countries might settle their differences. U.S. special negotiator Edwin M. Martin also left for Washington.

Informants said the OAS group would have remained longer if the United States or Panama had shown any favor for a peace proposal advanced by Juan Plate of Paraguay, chairman of the special inquiry committee. Terms were not disclosed.

PROBE RIOTS

Plate conferred with Martin and Panamanian Foreign Minister Galileo Solis, while the committee investigated Panama's charges of U.S. aggression in the Jan. 9-11 rioting that left 24 dead, including four Americans.

The Paraguayan diplomat declined comment on his talks

with Martin and Solis but indicated neither side expressed interest in his proposal.

The United States was evidently holding to its demand that Panama re-establish diplomatic relations, severed Jan. 9, as a prerequisite to further conversations. Panama wants the United States to agree to renegotiate the 1903 Panama Canal treaty before resuming diplomatic ties.

The committee will resume its inquiry Wednesday and begin drafting its findings for presentation to the full OAS.

BAIL MAN ON MANY COUNTS

CHESTER, Pa. (AP)—Henry Gilliam, 56, of Chester, is being held in \$500 bail for grand jury action on charges of assault and battery by auto and assault with intent to kill.

Gilliam, accused of driving his car into a group of civil rights demonstrators in Chester Saturday, denied the charges at a hearing Monday before Magistrate Phil C. Puzanchera.

Stanley E. Branche, chairman of the Committee for Freedom Now, testified the demonstrators were on the sidewalk when the car made a sudden turn into them and struck some of the people. He said no one was hurt.

H. Weston Tomlinson, Gilliam's attorney, said his client was returning home from a funeral and was disturbed.

POWERFUL MAGNET

PITTSBURGH (AP)—The development of the first superconducting magnet to repeatedly achieve a magnetic field of 100,000 gauss—roughly 200,000 times the average magnetic field strength of the earth—was announced Sunday by Westinghouse Electric Corp.

The firm said its recent development of a new superconducting material, Hf-120, a niobium-titanium alloy, made the super-strength magnet possible.

A Lovelier You

By MARY SUE MILLER
DISGUISE FOR PROBLEM EYES. A lovely writes: My eyes protrude beyond the norm.

Is there a make-up trick that would soften the problem? The Answer: Indeed there is. Protruberant eyes appear to recede when this make-up is applied with a deft hand:

1. Film the lids with dark shadow, either brown or gray. Finger-blend the color from the inner corners to a point about a quarter inch beyond the outer corners. Using an eyeliner brush, smooth and taper the outermost edges.

2. Apply pencil or liner in a shadow-keyed shade. Stroke from corner to corner, close to the lashes. Work for a broad, very soft line.

3. If the lashes are so pale as to require mascara, a light coating may be applied. Otherwise be content with brushing. In any case, avoid exaggerated coloring and curling.

4. Brush the eyebrows and fill in any missing strands with pencil; darken pale brows slightly with mascara. The just-right effect is full and feathery.

Properly executed, those steps conspire to ovalize the eye and thus to decrease the aperture. The disguise can be furthered by clever hairstyling. Pulling the hair straight back at the temples or wearing a high fluff of bangs is a good ruse.

Fashion can aid the cause, too. Just try a slant-brimmed hat and see!

THE EYES OF YOUTH

You are not lost to youthful beauty because of dark circles, puffiness or wrinkles around the eyes. These problems can be brought under control by proper

RAIN, LIGHT SNOW FALL IN SOME AREAS

By THE ASSOCIATED PRESS
Rain splashed areas in the South and the far Northwest and light snow fell in scattered northern sections but generally fair and dry weather prevailed in most other parts of the nation today.

A disturbance in the northern Gulf region set off rain from eastern sections of the southern plains through Georgia. Fairly heavy rain, measuring more than one inch, hit southeastern Louisiana and southern Mississippi. The rain was expected to spread through the Carolinas, the central Appalachians, with rain mixed with snow in the Ohio Valley.

Light snow falls were reported in the northern plains and central Rockies, with snow flurries indicated in the Great Lakes region and the central and northern Rockies. More rain fell in western Washington and northwest Oregon.

Skies were clear in most of New England after the season's worst snowstorm, with gale force winds, swept the area. Up to 18 inches of snow fell in New England and at least 16 deaths were reported, mostly from heart attacks induced by snow shoveling.

Slum Clearance Move Is Blocked

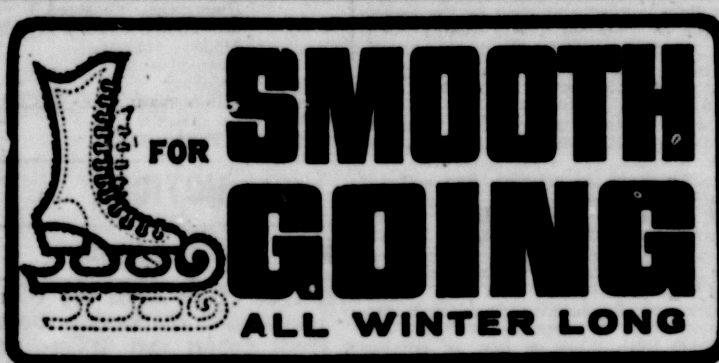

HARRISBURG (AP)—A Democratic effort to raise the 1964-65 slum clearance appropriation was defeated by Republicans in the House Monday.

Minority Leader Anthony J. Petrosky submitted the amendment which would have boosted the total of state grants available for the purpose next year from \$7.75 million to \$9 million.

The bill was passed 194-0 and sent to the Senate. Petrosky argued that the slum clearance program should be speeded up because "many local municipalities are plagued with blighted areas that are a hindrance to economic growth."

FAIL TO SETTLE UNION BOYCOTT OF WHEAT DEAL

By NEIL GILBRIDE

MIAMI BEACH, Fla. (AP) — Efforts of the Labor Department's top troubleshooter to quickly settle a union boycott against U.S. wheat shipments to the Soviet Union apparently have failed.

Insistence by labor leaders that at least half the grain be transported in U.S. vessels dashed President Johnson's hopes of an early solution.

James J. Reynolds, assistant secretary of labor, who was sent here by the President, was to have held a news conference on the wheat dispute Monday night, but it was called off.

ENROUTE TO DAYTONA

Reynolds was to leave today for Daytona Beach on another labor dispute, a strike against the Florida East Coast Railway that has slowed construction of space facilities at Cape Kennedy.

Most of the nation's chief labor leaders are here for the annual meeting of the AFL-CIO Executive Council.

AFL-CIO President George Meany told a news conference Monday he had agreed to Johnson's personal appeal to help seek a settlement of the boycott. But Meany also said he backed the union stand.

HALT UNLOADING

The International Longshoremen's Association halted the loading of wheat on two foreign ships in New Orleans and one

in Houston.

Longshoremen's President Thomas W. Gleason said all wheat shipments to the Soviet Union, even on American vessels, would be tied up unless the administration lives up to an agreement providing for at least 50 per cent shipments in U.S. vessels.

Reynolds apparently gave up hope of an immediate settlement after round-the-clock sessions with union leaders and frequent telephone conferences with Secretary of Labor W. Willard Wirtz in Washington.

Continental Grain Co., which sold \$75 million worth of grain to the Soviet Union, says it cannot find enough acceptable U.S. ships to carry half the cargo.

Union officials say this is just an excuse to use cheaper foreign ships, including some that had been blacklisted by the United States for trading with Cuba.

TELLS TRUTH ON DAYTIME TV WATCHERS

By CYNTHIA LOWRY

AP Television-Radio Writer NEW YORK (AP)—If ever there was a misrepresented segment of the vast television audience, it is the women who turn on their sets during the daytime hours.

They have been repeatedly pictured as a lazy, slacked-jawed group, lolling in front of their sets, suffering deliciously over the problems of the soap opera families or watching other people play games. Dishes are supposed to be stacking up in the sink, beds go unmade and poor, hard-working dad is lucky if he gets cold cuts and potato salad for dinner.

The truth is that daytime serials and panel or game shows are admirably designed and used for auxiliary occupations. While football or baseball-watching demands the (usually male) viewer's total attention, it is easy and pleasant to sew, darn, knit, hook rugs, paint china, wash dishes, even make beds while following the progress of "You Don't Say" or the involvements of "As the World Turns." They require, at the most, only an occasional glance at the television screen.

There will soon be another birth-and-a-death-in-the-big-Goodson-Todman family of panel shows. The eight programs, spread around all three networks, will be joined by a ninth, "Get the Message," on ABC March 30. But NBC's "Missing Links" departs at the end of

Staff Sergeant John J. Kahler (left), of Philadelphia, was presented an award at Webb AFB, Texas, for his military improvement suggestion.

Kahler, a United States Air Force management analyst assigned to the 356th Pilot Training Wing at Webb, suggested a method for improving the man-hour accounting system in the civil engineering section.

Mrs. Kahler is the daughter of Mr. and Mrs. Eugene Bestwick, Fairfield, R. I.

The military improvement suggestion program provides for awards and recognition for personnel who submit beneficial suggestions that assist in conserving manpower and materials. Making the presentation is the base civil engineer, Maj. Charles H. Penn.

March

The network once again will shuffle its daytime schedule and put the new show into an 11 a.m. spot. "Seven Keys," an audience participation show, will be dropped, on the eve of its third birthday.

The packaging firm of Goodson-Todman has network shows occupying a magnificent weekly total of 18½ hours of network time. That includes the Richard Boone dramatic anthology, but the remaining 17½ hours is all fun and games.

"Get the Message" will use celebrity-audience participant teams to guess words on the basis of clues.

Recommended tonight: "Gary Moore Show," CBS, 10-11 (EST)—with Nat King Cole and George Gobel as guest stars.

SIMCA 1000

Any way you look at it

Chrysler's all-new economy car
is your best buy—

Best protection—with a 5-year/50,000-mile warranty*
Best performance—real economy, fine handling
Just \$1,595—the low-priced all-new import.

*HERE ARE THE FACTS:

Chrysler Motors Corporation warrants all of the following vital parts of the Simca 1000 for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at an Authorized Simca Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, water pump, intake manifold, Trans-Axle parts and rear wheel bearings.

HERE'S ALL YOU MUST DO: Give your car this normal care—change engine oil and re-torque the cylinder head at first 600 miles and thereafter change engine oil every 3 months or every 4,000 miles, whichever comes first; clean oil separator every 6 months (spring and fall); clean carburetor air filter every 6 months and replace it every 2 years; and clean the crankcase ventilator valve oil filler cap and change Trans-Axle lubricant every 6 months, or 8,000 miles, whichever comes first; AND every 6 months furnish evidence of this required service to an Authorized Simca Dealer or other Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage.
